# Background

1. This Legislative Consent Memorandum (LCM) was been lodged by Jeane Freeman, Cabinet Secretary for Health and Sport, under Rule 9.B.3.1(a) of the Parliament's Standing Orders, and was supported by Joe FitzPatrick, Minister for Public Health, Sport and Wellbeing. The LCM relates to the Birmingham Commonwealth Games Bill which was introduced in the House of Lords on 5 June 2019.

# Birmingham Commonwealth Games Bill

2. The Commonwealth Games Bill [‘the Bill’] is a UK Government Bill and was introduced in the House of Lords on 5 June 2019.

3. According to the House of Lords Library Briefing, the Bill -

” provides the legal basis for certain time-limited measures in support of the games. These are grouped in four main areas: funding; association with the games; ticket touting, advertising and trading; and transport.”

4. The LCM states that the Scottish Government’s view is that the subject matter is not wholly reserved. The LCM details that there are two specific areas within Part 3 of the Bill which may be exercised within the scope of devolved competence.

5. The first is the power at Clause 9 which provides that it is a criminal offence for a person to sell, offer to sell, or expose for sale a Games ticket without authorisation from the Organising Committee. The LCM details -

” Clause 9(8) provides that a person guilty of an offence under this clause is liable to a fine not exceeding £50,000 in Scotland on summary conviction. Clause 9(9) provides that any penalty imposed in Scotland will be recoverable under section 221 of the Criminal Procedure (Scotland) Act 1995.”

6. The second is the provision at Clause 10 which provides that it is an offence if a UK National or person normally resident in the UK acts in a way outside the UK that if done in the UK would constitute an offence. The LCM details -

” Clause 10(4) provides that proceedings against a person in Scotland may be taken in the sherriff court in which the person apprehended is taken into custody, or in a sheriff court determined by the Lord Advocate.”

## Scrutiny of the Memorandum

7. Scottish Parliament Standing Orders state that an LCM should normally be lodged with the Scottish Parliament two working weeks after the introduction of a relevant Bill in Westminster. The LCM was lodged shortly after the Bill was introduced in June 2019.

8. At its meeting on 29 October the Committee considered the LCM and concluded that they agreed with the Scottish Government view that it is in the interests of the Scottish people and good governance that the relevant provisions which fall within the legislative competence of the Scottish Parliament, Clauses 9 and 10, should be considered by the UK Parliament.

## Conclusion

9. The Committee supports the use of the LCM procedure on this occasion. The LCM includes a draft legislative consent motion in the following terms -

- iv" That the Parliament agrees the relevant provisions of the Birmingham Commonwealth Games Bill, introduced in the House of Lords on 5 June, relating to ticket touting, so far as these matters fall within the legislative competence of the Scottish Parliament, should be considered by the UK Parliament."
